Administrator Jackson, Bob Perciasepe, and Nancy Stoner –

First, thanks very much for your concerted efforts to clarify and restore Clean Water Act protections through the CWA guidance and rulemaking. Our large clean water contingent met with CEQ on January 11th urging swift action to finalize the Clean Water Act guidance that has been languishing at OMB since last February.

Attached please find our sportsmen group letter urging the same, sent to the White House today. Leaders from the following organizations signed this letter:

American Fisheries Society
American Fly Fishing Trade Association
American Sportfishing Association
BASS LLC
Berkley Conservation Institute
Bull Moose Sportsmen's Alliance
Izaak Walton League of America
National Wildlife Federation
The Nature Conservancy
The Wildlife Society
Theodore Roosevelt Conservation Partnership
Trout Unlimited
Wildlife Management Institute

We look forward to working with EPA, the Corps, and the White House in the coming months to restore Clean Water Act protections for the nation's waters.

Thank you,

Jan Goldman-Carter
